

Drones: Their Potential Risks...

16 April 2019

Join IChemE's Hull & Humber Members Group for their evening seminar on the risks that Drones can present to chemical factory sites.

In this evening seminar, Professor John Murray will present an introduction to drones, what they are, how they operate, and consider the potential security risks that a drone might present to a process plant.

He will be bringing along a number of drones and will be giving (indoor) demonstrations of their capabilities.

Time: 18:30 - 21:00

Location: DoubleTree by Hilton, 24 Ferensway, Hull, HU2 8NH

Cost: Free of charge, open to all

Registration: www.icheme.org/hullandhumber-drones
