

# Managing Conflict with Project Stakeholders

30 April 2019

Join Neil Harkin for the presentation "Managing Conflict with Project Stakeholders" which will cover an overview of two interlinked areas. Project Stakeholder Management and Approaches to Managing Conflict.

In this presentation you will learn to systematically identify, analyse, plan and implement actions to engage with stakeholders to harness the positive influences and minimise the effect of the negative influences. Also, how to facilitate a healthy conflict that without suppression can support group development and learning experiences.
