

Hazards30

18–20 May 2020, Manchester, UK

Abstract submission form

Thank you for your interest in *Hazards 30*. Please provide details of your proposed paper below.

Before you go any further

- Ensure you have permission from your organisation/partners to submit your paper
- Ensure you are available to attend *Hazards 30* on 18–20 May 2020 in the UK should your paper be accepted (presenting authors can attend at a discounted rate)

Contact hazards@icheme.org if you have any questions about submitting your abstract.

Your details

Title

First name

Surname

Job title

Organisation

Country

IChemE will use the personal data collected on this form for the purpose of reviewing your abstract (including sharing it with our technical reviewers) and keeping you updated about *Hazards 30*. More information about how IChemE processes personal data is available at www.icheme.org/legal

We'd love to also continue to tell you about future *Hazards* conferences. Tick here if you'd like to be added to our *Hazards* mailing list

Your paper

Paper title

Your paper will be considered for both an oral presentation and a poster slot unless you indicate a preference here.

If you would like to be considered for a poster slot only, please tick here

Please choose which core theme and topic your proposed paper best fits into:

Please note that the technical committee reserves the right to move papers to alternative themes.

Your abstract

Please summarise your proposed paper in less than 500 words. Please include content, objectives, and why you think it is suitable for inclusion in the *Hazards 30* programme.

How to submit your paper

- Complete all sections of this form and email to hazards@icheme.org by **Friday 27 September 2019**

What happens next?

- Abstracts will be reviewed by the technical committee and if they are considered sufficiently suitable and relevant to the *Hazards 30* programme, a full paper will be requested
- Following another independent review, successful papers will be offered either a presentation slot in the programme or the opportunity to display a poster at the conference
- There are up to 70 presentation slots and an unlimited number of poster slots available

Key dates

- Abstract submission deadline: **27 September 2019**
- Abstracts review completed and results communicated: **end October 2019**
- Full paper submission deadline: **17 January 2020**
- Full paper review completed and speaking/poster slots confirmed: **early February 2020**

Any questions?

Contact hazards@icheme.org or +44 (0)1788 534442 if you have any questions about submitting your abstract.

A couple of questions before you go

Thank you for your submission. Please encourage your colleagues and contacts to share their process safety knowledge and experience too.
