

Sustainability Special Interest Group

AGM and guest lecture, 4th March 5-7 pm

**At the Faraday Building, The King's Buildings,
Mayfield Road, Edinburgh EH9 3JL**

Programme: 5 - 5.30 refreshments

5.30 – 6 AGM

6 - 7.30 Talk by Jon Clipsham,

**Hydrogen Manager, European Marine Energy Centre, Orkney:
2H or not 2H? Prospects for hydrogen as a “zero-carbon” fuel**

Jon's background is in the chemical industry, where he has long experience of international business development and consultancy in the petrochemical, fine chemical, and pharmaceutical sectors. His wide experience in the use of catalysts across these sectors, in particular hydrogenation chemistry, is a great resource for his role at EMEC where he is responsible for identifying, developing, and implementing opportunities for EMEC's rapidly evolving Hydrogen business.

Jon has been a strong advocate for hydrogen over recent years and is a Director of the Scottish Hydrogen and Fuel Cell Association.

This lecture will be being broadcast live and recorded.
