# Get Chartered

17 October 2018

Are you...

- a recent graduate wanting to know what it takes to become Chartered?
- in the process of applying and need some advice and guidance?
- are you in need of a mentor to guide you through chartership process and application?
- already Chartered and want to get involved in mentoring?
- already mentoring but want to get the most up to date knowledge of the process?

If you answer yes to any of the above questions, then come along to find out about any aspect of IChemE membership including qualification as a Chartered Chemical Engineer.

The formal presentations will cover;

- the requirements, application and assessment process to get Chartered,
- report writing,
- interview advice,
- support available locally from the Aberdeen Centre, and there will be plenty of time after the presentations for questions and answers.

**Time:** 17:30 - 20:00

**Location:** Einstein Room, Aberdeen Science Centre, 179 Constitution Street, Aberdeen, AB24 5TU

**Cost:** Free of charge, open to all
