

# Hazards30

26–27 November 2020, Virtual

There are lots of ways that presenters, sponsors, exhibitors and other stakeholders can support us in raising awareness of *Hazards 30*.

Your help in spreading the word will complement our own campaigns and help us to reach wider audiences. The more process safety professionals who attend *Hazards 30* the better!

There are resources available on the conference website ([www.icheme.org/hazards30](http://www.icheme.org/hazards30)) to support your communications. Contact [hazards@icheme.org](mailto:hazards@icheme.org) if you want to discuss anything in more detail or require graphics to other dimensions.

Here's how you can help:

► **Share on your company newsletter/website/intranet**

Use the event description and graphics provided to raise awareness amongst your colleagues, customers and contacts. If you require graphics designed to other dimensions/formats, please contact [hazards@icheme.org](mailto:hazards@icheme.org).

► **Get talking on Twitter**

Follow [@HazardsUK](https://twitter.com/HazardsUK) and react to our tweets to help us reach a wider audience.

Tweet about your participation regularly using [#hazards30](https://twitter.com/hashtag/hazards30) and the graphics provided.

► **Tell your LinkedIn network**

Let your professional contacts know that you're participating and share with the industry groups you belong to.

Join the *Hazards* LinkedIn group ([www.linkedin.com/groups/8553431](https://www.linkedin.com/groups/8553431)) and react to our posts. This is a good place to connect with other delegates and stakeholders before the event.

► **Use our email signature**

Add a banner at the end of your emails with a link directly to [www.icheme.org/hazards30](http://www.icheme.org/hazards30)

*Thank you for your support!*
