

# IChemE medals and prizes

## Sharma Medal nomination form

Deadline for submission 31 October 2021

Person nominated	
Company/organisation	
Your name	
Email address	
Telephone	
Company/organisation	
Summary of reasons for nomination	

**Please submit your full nomination on the reverse.**

You should provide all relevant details and links to references can be included. However please note the judging panel will only assess information provided in this form – any prior knowledge is dis-regarded and they will not undergo any additional research.

Your completed nomination form should be sent to [medals@icheme.org](mailto:medals@icheme.org)

The Medals & Prizes Committee will meet in December to select the winners.

**Privacy Policy**

Information on how IChemE processes data provided can be found at: [www.icheme.org/legal](http://www.icheme.org/legal)

Please check this box to confirm you have read and agree to this policy.

Reasons for nomination – use a separate sheet if necessary.

Please ensure you cover the following points, which are the criteria against which the nominations will be judged:

1. Scientific and engineering advance
2. Originality
3. Scope / significance - demonstrated potential in terms of application of methods and tools to solving challenging problems
4. Impact and alignment with progress toward a net-zero economy or the UN SDGs
5. Publications, citations, patents, or other indicators of esteem

Be succinct but do include sufficient relevant information for the judges to evaluate the nomination. Judges are not expected to go and research candidates beyond what the nominator has written.
