MALAYSIA INTERNATIONAL AGRICOMMODITY EXPO & SUMMIT

26 - 28 JULY 2022

MALAYSIA INTERNATIONAL TRADE
& EXHIBITION CENTRE, KUALA LUMPUR

**"ADVANCING AGRICOMMODITY
IN SUSTAINABLE ECOSYSTEM"**

www.myagricommodity.com

ABOUT THE EVENT

Malaysia International Agricommodity Expo & Summit (MIACES) is an event that aims to provide a platform to uplift the agricommodity sector. The event comprises of conference, exhibition, roundtable discussions, B2B meetings and awards night. It also focuses in bringing all the industry players, producers, investors and other stakeholders all together to showcase their products, latest equipment and technology under one roof.

EVENT OBJECTIVES

- To promote Malaysia as the international hub for agricommodity activities
- To introduce and fortify Malaysia's standing as the leading producers of agricommodity products internationally
- To enable MIACES as an international trade expo whereby Malaysian exhibitors and their products will gain maximum exposure in the agricommodity sector globally
- To provide a global marketplace for greater level transactions
- To showcase eye opening innovations and technology made locally and internationally
- To develop a conducive business development environment in which business opportunities and investments are enhanced in the agricommodity sector
- To offer MIACES as the best platform for local exhibitors and visitors to explore business potentials globally

WHY JOIN US?

Agricommodity is called the pillar of the Malaysia economy. All these factors determine their values in the market.

To create world-wide interest. Globally, the value of this industry was estimated about USD756 billion.

Significant development of agricommodity globally.

Such a vast and important industry has the potential to contribute to the economic growth of states concerned and the sustainable development of resources, but faces future challenges regarding environmental and social issues.
