

IChemE BESIG Annual Meeting - Biomanufacturing 2030: Digitisation, Information Management and New Modalities

09:30 **Registration & Refreshments**

10:00 **Morning Session**

Welcome & Introduction

Dr Henry Charlton, Cytiva

All data great and small

David Quartey, Oxford Biomedica

Review by Exception of Manufacturing Records

Rose Morley, FUJIFILM Diosynth Biotechnologies

Donald Medal Award Presentation: Smart Manufacturing & New Modalities

Professor Gary Lye, University College London

12:30 **Lunch Break**

13:30 **Afternoon Session**

Enabling transformational change

Andrew Matthews, Siemens

Process Development lab of the Future

Dr Kunal Rehani, Cytiva

Strategies for production and analysis of novel ATMPs

Dr Zoe Arnott, CPI

15:45 **Networking & Refreshments**

16:30 **End of day**
