

Sponsorship of the Annual Engineering Dinner – Friday 3rd March 2023

For many years a number of Local Engineering companies have generously sponsored the Merseyside and North Wales Annual Engineering dinner.

The dinner is a not-for-profit activity; any surplus funds are donated to the following worthy causes:

- Macmillan Nurses
- Arion 6 - The Liverpool Velocipede Team (established in 2013), are a team of engineering students from the University of Liverpool who have designed and built the ARION series of record-breaking velocipedes (human powered vehicles).

We are pleased to offer the following sponsorship package:

Dinner Sponsor

- Donation of £500 + VAT supporting the IMechE 2023 dinner. and/or
- Donate a “Prize that Money Cannot Buy” e.g., a facility visits, which can be given as part of the Apprentice award.

In return Sponsors will receive:

- Recognition of Sponsorship by being included on the poster.
- Company Logo on Backdrop, Menus and any publicity material produced.
- Opportunity to have your advertising at the dinner (e.g., roller banners and promotional materials).
