

# Catalysis and Reaction Engineering Special Interest Group – Committee Treasurer

## Volunteer Role Descriptor

### 1. Vacancy reference

Reg/SIG/CRE/CT/1.0

### 2. Background

IChemE's global network of member community groups are central to delivering its vision of advancing chemical engineering's contribution worldwide for the benefit of society.

IChemE member community group activities are devised and delivered by members.

Special Interest Groups create globally accessible programmes of activity and stimulate member involvement within a technical area of interest. Member Groups and Early Careers Groups focus on local activities and networking opportunities.

### 3. Duties, and responsibilities

SIG Treasurers typically:

- contribute to the planning and delivery of an annual programme of activities
- have the responsibility for the preparation of an annual activity report, activity plan and budget, in co-operation with the relevant member led finance review group
- operate the group's finances
- review the monthly accounts and report any significant variances

### 4. Appointment method

Elections for all vacant electable positions are to be conducted as part of the Annual Meeting (AM), or as vacancies arise. If you have any queries, please email [specialinterestgroups@icheme.org](mailto:specialinterestgroups@icheme.org)

### 5. Period of appointment

SIG volunteers can stay in their roles for up to three years. Reappointment is possible for a second term of up to three years. A maximum of six years can be served in one position.

### 6. Commitment required

In taking up this voluntary unpaid position and carrying out the relevant duties, the time estimates are:

- Treasurers are expected to be able to spend between three to eight hours per month on IChemE business. This may increase slightly during the budget cycle.

## 7. Training

The role is fully supported by the Regions Team and IT. Training will be provided to support members in this role.

Other standard volunteer training, e.g. General Data Protection Regulations (GDPR) training, will be provided by IChemE. In some instances, an annual update may be required.

## 8. Person specification

To successfully fulfil their role and meet their responsibilities and be able to fulfil the following additional criteria:

- be a member of the Institution and abide by IChemE's By-laws.
- possess a good understanding of financial management, management accounting and financial reporting

## 9. Others

### Benefits of volunteering:

- personal satisfaction that your contribution helps to support a global network of chemical engineers
- provides extensive networking opportunities
- enhances volunteer's own CPD for longer term career development and their professionalism in a wider context than their own specific job role / professional interests
- enhances the volunteer's knowledge of chemical engineering and the opportunities it may offer.

### Expenses

No significant expenses are expected to be incurred. IChemE policy for Member expenses outlines what costs can be recovered whilst undertaking volunteer activities on behalf of Member Groups
