North Lancashire Member Group Committee Member Volunteer Role Descriptor

1. Vacancy reference
MG/LC/CM/1.0

2. Background
IChemE’s global network of member community groups are central to delivering its vision of advancing chemical engineering’s contribution worldwide for the benefit of society. IChemE member community group activities are devised and delivered by members. Member groups (MGs), special interest groups (SIGs), and early careers groups (ECGs) create globally accessible output, local activities, and networking opportunities.

3. Main committee positions, duties, and responsibilities
Volunteers who occupy committee roles typically:

- endeavour to attend all meetings, or send apologies for absence
- provide comments on papers where you are unable to attend
- prepare for the meeting by reading the agenda, papers, and any emails before the meeting
- share ideas and views
- demonstrate skills, knowledge and interests that relate to specific MG or SIG volunteer roles (e.g., STEM liaison, University liaison, PEI engagement, events organiser etc.)
- take ownership and accountability for the fulfilment of assigned tasks
- participate in the planning and delivery of an annual programme of activities supporting IChemE’s strategy

NLMG are keen to collaborate more with our neighbouring groups to extend the reach of the events we host. The new committee member position will be responsible for leading engagement activity with relevant groups/institutions.

Responsibilities:
Working with the other committee members, expected activities will include:

- Regular communication with existing group contacts
- Keep up to date with future planned events by other groups in Lancashire/Cumbria/North West regions, identify which may be of interest to North Lancs members
- Develop a plan of outreach activity to be integrated into the committee calendar and budget
- Identify further groups/communities that could widen the N Lancs member base (e.g. local employers)

4. Appointment method
Elections for all vacant electable positions are to be conducted as part of the Annual Meeting (AM), or as vacancies arise. Please contact the Regions Team for more information membergroups@icheme.org
5. Period of appointment

Member group and SIG Committee volunteers can stay in their roles for up to three years. Reappointment is possible for a second term of up to three years. A maximum of six years can be served in one position.

6. Commitment required

In taking up this voluntary unpaid position and carrying out the relevant duties, the estimated time that volunteers spend supporting committee roles is between four to eight hours per month.

7. Training

The role is fully supported by the Member Engagement Team. Training will be provided to support members in this role.

Other standard volunteer training, e.g., General Data Protection regulations (GDPR) training, will be provided by IChemE. In some instances, an annual update may be required.

8. Person specification

To successfully fulfil their role and meet their responsibilities, committee members

- are a member of the Institution and abide by IChemE’s By-laws
- demonstrate skills, knowledge and interests that relate to specific MG or SIG volunteer roles

9. Others

Expenses for the activities:

The opportunities outlines are volunteer roles with no significant expenses likely to be incurred. IChemE policy to member expenses outlines what costs can be recovered whilst undertaking volunteer activities on behalf of member groups, special interest groups or early careers groups.

Benefits of volunteering:

- personal satisfaction that your contribution helps to support a global network of chemical engineers
- provides extensive networking opportunities
- enhances volunteer’s own CPD for longer term career development and their professionalism in a wider context than their own specific job role / professional interests.
