

Hazards35

4-6 November, Birmingham, UK

Sponsorship and exhibition packages

IChemE

Hazards is widely recognised as one of the world's leading process safety conferences. First staged in 1960, it is an industry-focused event which shares good practice, current thinking and lessons learned in process safety.

Hazards is growing. Following back-to-back record attendance numbers in 2023 and 2024, the 2025 event will be our biggest *Hazards* conference yet, with over 400 process safety professionals expected.

Check out www.icheme.org/hazards35 for the latest information about the event.

Key features

- Trade exhibition of process safety products and services
- Capture lead data at no extra cost via our *Hazards* app
- Opportunities to host workshops and sponsored sessions
- Sponsorship and exhibition packages to suit every budget
- Social and networking opportunities throughout the event
- Process safety presentations and posters from industry practitioners, regulators and researchers
- Invited plenary speakers from industry.

DID YOU KNOW...

Hazards is primarily an industry event. Last year, 41% of attendees came from operating companies.

Why sponsor or exhibit at *Hazards*?

Sponsoring or exhibiting at *Hazards 35* can help you generate new business leads, raise brand awareness, demonstrate your commitment to process safety good practice and/or provide a cost-effective, time-effective way to catch-up with current process safety clients and contacts.

Whatever your aim, we can help.

Here's what the delegate profile looked like at our most recent *Hazards* conference in 2024.

“ This is where it's at for process safety. If you're in to process safety, this is the place to be. ”

Richard Freeman, Engineers

- North America

Job level/type

- Senior/specialist engineer or scientist
- Engineer/scientist
- Manager/team leader/head of department
- Director/CEO/general manager
- Student/researcher

Why come to *Hazards* 35?

Prime location

The *Hazards* 35 exhibition hall will be at the heart of the conference. We'll be serving all our food and drink in the exhibition area, ensuring regular footfall. Subject to capacity, we'll also be housing our poster presentations in the same space.

Networking opportunities

Our *Hazards* 35 welcome drinks reception takes place in the exhibition hall. With an additional networking reception in the exhibitor area the following night, sponsors and exhibitors can continue to network with attendees throughout the conference.

The Birmingham factor

Hazards 35 takes place at Edgbaston Cricket Ground in Birmingham, the home of Warwickshire County Cricket Club and its T20 team Birmingham Bears. Birmingham has historically proved to be one of the most popular *Hazards* conference locations. The city last hosted *Hazards* in 2023.

The venue is less than two miles from major road networks and Birmingham New Street station and just 20 minutes from Birmingham Airport. On-site car parking spaces are also available.

DID YOU KNOW...

In 2024, 43% of the delegates at *Hazards* were new to the event, helping our regular exhibitors and sponsors generate new leads and catch up with established contacts.
