Training provider:	
Start Date:	
End Date:	

Declaration

By submitting this application, I confirm that all the information provided, including any supporting materials, are accurate and reflects my true professional experience. I agree to be bound by the Royal Charter and By-laws, Regulations and Code of Professional Conduct of the Institution of Chemical Engineers, both as they are currently written and as they may be updated in the future. As long as I remain a member, I will do my best to support the goals of the Institution. I also confirm that I have read, understood, and followed all relevant guidance for this application.

Use of generative Artificial Intelligence (AI)

I understand that while AI tools may support the application process for translation, spelling, grammar, and text restructuring, I remain fully responsible for the originality, accuracy, and integrity of all content submitted. The use of AI to generate content that is generic, inaccurate, or unrelated to my personal experiences is prohibited and may lead to my application being deemed inadmissible. Furthermore, any unethical use of AI may result in the initiation of disciplinary procedures. If you have used AI in the preparation of your application in any capacity, please contact us to disclose its use before submitting.

Declaration Accepted

Data Use and Privacy

By submitting this application, you agree that IChemE may use and securely store your application and supporting materials for purposes such as assessment, administration, audits, and awards. IChemE may also share your application with relevant regulatory bodies or third parties as required by law or for verification purposes (e.g., confirming academic qualifications or contacting referees).

Your privacy is important to us. Please review our Privacy Policy, which explains how we handle your personal data. To process your application, IChemE may share your information with authorised volunteers or staff worldwide. All data transfers will be conducted securely and in line with the UK GDPR Framework.

Membership Fees for New Members

Work-Based Learner membership is currently free.

Eligibility Criteria

Work-Based Learner membership is only open to those pursuing or registered to undertake a programme of work-based study in chemical engineering or allied discipline. Once this no longer applies, eligibility for Work-Based Learner membership ceases. In addition, individuals who meet the requirements for Technician Membership or EngTech registration are not permitted to hold Work-Based Learner membership.
