

IChemE NECG Newsletter - December 2025

Keeping Early Career Engineers Connected & Inspired

A Message from Your Outreach Team

Hi everyone!

As we wrap up the year, we're excited to introduce the new IChemE NECG Committee for 2025/26 and share what's coming up in the months ahead. The committee brings together early career engineers from across the UK and Ireland, all focused on building connections, sharing opportunities, and supporting your professional development.

NECG Annual General Meeting (AGM)

 Details: A successful AGM, many thanks for all who attended! Congratulations to all our new and continuing committee members. We are all looking forward to the next year with the NECG member group!

ChemEngDay UK 2026

 Date: April 2026 - Birmingham

Frank Morton Sports Day 2026

 Host: Nottingham

 Date: February 16th, 2026

 Overview: **Frank Morton Sports Day** is the annual inter-university sporting event, bringing together chemical engineers from across the UK and Ireland for a day of competition, networking, and community building.

Webinars

 Overview: Very successful past couple webinars with many more in progress! Make sure to stay tuned to make sure you do not miss out.

Upcoming Site Visits

 Overview: EDF Site visit – January (TBC)

Articles & Features

 Overview: Monthly articles are being planned, stay tuned!

Wellbeing & Community

The end of the year can be busy and intense.

Reminder: Take time to switch off over the holiday period and reset before 2026.

Simple tip: Set realistic goals for January rather than overloading your calendar from day one.

 Resource: Mind's Mental Health at Work Toolkit – <https://www.mind.org.uk/news-campaigns/campaigns/mental-health-at-work-commitment/other-resources/toolkits/>

Get Involved

We love hearing from you—whether it's an event to feature, a success story to share, or feedback on our activities.
