## Conference Director Message

It is my great pleasure to invite your organization to participate in the 13<sup>th</sup> Professional Development Conference and Exhibition, organized by the American Society of Safety Professionals - Middle East Chapter (ASSP-MEC). This event, which will be held in the Kingdom of Bahrain, during the period of January 27 - 31, 2019, will bring together HSE leaders and professionals from the energy industry, professional and academic institutions, and government organizations. This event affords attendees and delegates the unparalleled opportunity to hear from leaders and professionals about how HSE challenges are being addressed and also leveraged to improve the overall performance of their organizations. Going through this Program is a great way to fully appreciate the caliber and experience of our keynote speakers, workshop instructors, and also session speakers.

This event is truly a great opportunity for you to nominate your employees to attend as delegates. Doing so will ensure they obtain the maximum benefit of enrolling in the focused training workshops and also networking and interacting with the great line of leaders and professionals that will be present. We stand ready to discuss your participation at your convenience.

**Ali Ghobari**

13<sup>th</sup> ASSP-MEC PDC&E Conference Director

## Program Chairman Message

It gives me great pleasure to present you with the program for the 13<sup>th</sup> Professional Development Conference and Exhibition, organized by the American Society of Safety Professionals – Middle East Chapter.

The program includes pre-conference training workshops, main technical breakout sessions, and also an exhibition. Throughout the conference days, there will be parallel sessions, each containing three (3) presentations. The sessions are organized into different tracks covering several topics. Panel discussion sessions will also be organized hosting experts from around the globe to discuss areas of concern in the region and beyond. In addition, keynote speeches by industry leaders will also be featured during the conference.

On behalf of the conference organizing team, I would urge you to benefit from this valuable professional development opportunity. I also invite you to visit the official conference website at [www.assp-mec.org](http://www.assp-mec.org) for the latest updates regarding the conference.

**Abdulrahman Bagais**

13<sup>th</sup> ASSP-MEC PDC&E Program Chairman
