

The Realities of Alarm Rationalisation for an Operating Plant

23 January 2019

Who looks after the alarms on your operating plant? Do you know whether your alarms are all really needed? Come and Join the Hull & Humber Members Group for this presentation where we will share some experiences, and realities, of carrying out alarm management and rationalisation on a plant that is already in operation.

Time: 18:00 - 20:00

Location: Village Hotel Club Hull, Henry Boot Way, Priory Park, Hull, HU4 7DY.

Cost: Free of charge, open to all
