

Troubleshooting Distillation and Absorption Column Internals

21 March 2018

Please join us for an illustrated talk with the Technical Manager of Koch-Glitsch UK, Greg Spencer. Followed by a Q&A and complimentary buffet/drinks.

The illustrated talk will include aspects of column internals and tower design to avoid operating problems, typical operating problems as related to column internals, troubleshooting methodology and inspection of internals at turnarounds to avoid future problems.

Time: 18:00 - 20:00

Location: Newton Building, Phillips 66 Ltd., Humber Refinery, South Killingholme, North Lincolnshire DN40 3DW

Cost: Free of charge, open to all

Registration: www.icheme.org/mg-column-internals
