

Annual Dinner

7 March 2019

The All Ireland Members Group dinner in Cork offers an ideal opportunity to meet up with colleagues and friends, provides an opportunity to recognise and reward staff and to network across the industry, or perhaps entertain key clients.

If you are interested in getting your company's branding associated with this event there is a variety of opportunities available. Sponsorship is a vital component of making this dinner cost effective and more enjoyable for attendees. All sponsorship received will go towards growing this event, as well as other future events organised by the All Ireland Members Group.

There will also be a guest speaker, Matt Moran, Director of BioPharmaChem Ireland.
